

Hi there Dave and Glywnnis,

I also have to have my say!! (as usual) and add a few superlatives of my own to the wonderful experience we had on "MADIBA" with the most enthusiastic,dedicated and committed crew who have now become friends.

We had no expectations and our anticipation was palpable and it turned out to be one of the most memorable vacations we have ever had. I loved having my family and Kate and Cathy around me. We all had our own space and had such a great time together.
